

# Rapid Identity and Student FOCUS Portal

## What is Rapid Identity?

- Rapid Identity is an identity and access management platform that provides features such as automated lifecycle management, identity governance, multi-factor authentication and password management. The solution provides role-based access to employees and students.

## Is it taking the place of Classlink?

- Yes, Classlink will no longer be active as of 11/1/22.
  - The FOCUS student portal will NO LONGER be accessible via Classlink effective 8/18/22. Students must access the FOCUS portal via Rapid Identity.

## How does a student set-up and log in to Rapid Identity?

1. Locate the shortcut on your desktop. Alternatively, you can access Rapid Identity from any computer by going to [login.santaroschools.org](https://login.santaroschools.org) in any web browser.
2. Put in your username. This is the same username you would use as when you log into your computer. Example: *Smith.J*.
3. Put in your password. This is the same password you use to login to your computer and email.
4. To log in: use the “**Rapid Identity**” icon on your desktop or go to <https://login.santaroschools.org/> or [Rapid Identity](#). You can also go to the district webpage at [www.santarosa.k12.fl.us](http://www.santarosa.k12.fl.us) and click on *Rapid Identity* at the top of the webpage.
